All references to College of New Jersey include all records set when the school was known as Trenton State College.

Following the 1992 championship, the NCAA Committee of Infractions deemed that the College of New Jersey had used an ineligible player. As a result, the NCAA does not recognize the records set by Kerri Perinchief or College of New Jersey, including coach Sharon Goldbrenner's 3-0 record and the title that the Lions won. This booklet lists all records as played on the field with this caveat in mind.
